

## Limited Robert Frost Maple Mementoes

When we announced that the “Tree at My Window” maple had to be cut down, we received a huge number of inquiries from all over the country from people who wanted wood from the tree. As a consequence, the tree was felled with great care to preserve as much wood as possible.

If you are a lover of Frost’s poetry and would like a section of the tree as a memento, or if you are an artisan who would like to celebrate Frost through your craft, you will be happy to know that wood from the Frost Farm Maple is now available for sale, with proceeds benefiting our preservation efforts at the farm.

▪**For a keepsake or a gift**, we have cookies available for \$15 including shipping. These are sections of limb wood, approximately 1/4-1/2 inches thick and in various diameters. Each cookie comes with a certificate of authenticity.

▪**For woodcrafters and artists**, we have ready-cut pen blocks priced at \$25 each or three for \$60 also including shipping and a certificate of authenticity. We also have a very limited number of ready-cut bowl blocks in various sizes as well as limb wood in various lengths, shapes, and thicknesses.

Please inquire about pricing and about our co-operative plan, through which you can receive wood at no charge in exchange for producing a piece that you return to us.

To order, send your check payable to Friends of the Robert Frost Farm to:
